Professional Summary

As a passionate and detail-oriented software developer, I aim to secure a position in a dynamic and innovative organization where I can contribute my strong foundational knowledge in programming, problem-solving, and collaboration. With a commitment to lifelong learning and growth, I seek opportunities to hone my skills, develop innovative solutions, and make a positive impact on the team and the organization's success.

Skills

C# , .Net, SQL, Javascript, HTML5, CSS

Experience

Software Engineer

Sep 2022 - Feb 2024

Confiable Solutions

- Utilized .NET, HTML, CSS, and JavaScript to develop and maintain web applications, ensuring their responsiveness, functionality, and design consistency.
- Collaborated with cross-functional teams to gather requirements, identify project scope, and troubleshoot issues in a service-based company environment.
- Assisted in the creation of user interfaces and wireframes, focusing on user experience and accessibility across different devices and browsers.
- Contributed to code reviews and followed best practices to ensure high-quality, maintainable, and scalable code.
- Participated in Agile/Scrum methodologies to manage project progress and ensure timely delivery of software solutions.

Software Intern

Mar 2022 - Aug 2022

Zibtek

- Gained hands-on experience in SQL, .NET, HTML, CSS, and JavaScript to develop, test, and deploy web applications for various projects.
- Integrated the Swagger framework to create a robust web application with CRUD operations for user data management.
- Collaborated with team members to design and implement database schemas, optimizing SQL queries for performance and efficiency.
- Supported the development team in problem-solving, debugging, and refining code.

- to meet project requirements and maintain high-quality standards.
- Actively participated in team meetings and knowledge-sharing sessions to enhance understanding of project goals and improve collaboration.

Licenses and Certifications

- **Building Web APIs with ASP.NET Core in .NET**
Linkedin
Issued Sep 2022
- **SQL Essential Training (2019)**
Linkedin
Issued Dec 2019

Education

Master of Computer Applications (M.C.A)

Nitte Meenakshi Institute of Technology (2021-2022)

Bachelor of Computer Applications (B.C.A)

Maharani Lakshmi Ammanni College For Women (2017-2020)
